 - (i) issue shares in the Company ("shares") whether by way of rights, bonus or otherwise; and/or
 - (ii) make or grant offers, agreements or options (collectively, "Instruments") that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other instruments convertible into shares,
at any time and upon such terms and conditions and for such purposes and to such persons as the Directors of the Company may in their absolute discretion deem fit; and
- (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors of the Company while this Resolution was in force,
provided that:
 - (1) the aggregate number of shares (including shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution) to be issued pursuant to this Resolution shall not exceed fifty per centum (50%) of the total number of issued shares (excluding treasury shares) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares and Instruments to be issued other than on a pro rata basis to existing shareholders of the Company shall not exceed twenty per centum (20%) of the total number of issued shares (excluding treasury shares) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below);

 - (4) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the Listing Manual of the Singapore Exchange Securities Trading Limited for the time being in force (unless such compliance has been waived by the Singapore Exchange Securities Trading Limited) and the Articles of Association of the Company; and
 - (5) unless revoked or varied by the Company in a general meeting, such authority shall continue in force until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is earlier.
[See Explanatory Note (ii)] **(Resolution 8)**

By Order of the Board

Yeo Poh Noi Caroline
Secretary
Singapore, 9 April 2009

Explanatory Notes:

- The effect of the Ordinary Resolution 5 proposed in item 3 above, is to re-appoint a director of the Company who is over 70 years of age.
- The Ordinary Resolution 8 in item 7 above, if passed, will empower the Directors of the Company, effective until the conclusion of the next Annual General Meeting of the Company, or the date by which the next Annual General Meeting of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant instruments convertible into shares and to issue shares pursuant to such instruments, up to a number not exceeding, in total, 50% of the total number of issued shares (excluding treasury shares) in the capital of the Company, of which up to 20% may be issued other than on a pro-rata basis to shareholders. The 50% limit referred to in the preceding sentence may be increased to 100% for the Company to undertake pro-rata renounceable rights issues.

For determining the aggregate number of shares that may be issued, the total number of issued shares (excluding treasury shares) will be calculated based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time this Ordinary Resolution is passed after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this Ordinary Resolution is passed and any subsequent bonus issue, consolidation or subdivision of shares.

The 100% renounceable pro-rata rights issue limit is one of the new measures implemented by the SGX-ST as stated in a press release entitled "SGX introduces further measures to facilitate fund raising" dated 19 February 2009 and which became effective on 20 February 2009. It will provide the Directors with an opportunity to raise funds and avoid prolonged market exposure by reducing the time taken for shareholders' approval, in the event the need arises. Minority shareholders' interests are mitigated as all shareholders have equal opportunities to participate and can dispose their entitlements through trading of nil-paid rights if they do not wish to subscribe for their rights shares. It is subject to the condition that the Company makes periodic announcements on the use of the proceeds as and when the funds are materially disbursed and provides a status report on the use of proceeds in the annual report.
